Government funding*

This training is subsidised by the NSW Government. Benchmark Resources P/L trading as Benchmark College is an approved Smart and Skilled Training provider. To be eligible to receive funding for a Smart and Skilled funded course, students must meet and have evidence of the following eligibility criteria:

- be an Australian citizen, an Australian permanent resident, a humanitarian visa holder or a New Zealand citizen and;
- live or work in New South Wales
- be aged 15 years or older and;
- have left school and;

* Further eligibility criteria may apply. For more information on the Smart and Skilled Program (including concessions, exemptions and fee-free scholarships), and to check eligibility, please visit www.smartandskilled.nsw.gov.au or call **1300 722 104**.

How the course works

Workplace-based

Students enrolling in this program must be working full-time or part-time in a suitable business environment. For those in a full-time traineeship, the student is to work 30 or more hours per week and for those in a part-time traineeship, the student is to work a minimum of 15 hours per week. A trainer and assessor visits the student in the workplace over the course of their traineeship. In addition to the face-to-face learning support, students' progress and learning support needs will be monitored via telephone/email contact in between workplace visits.

This course is also available as a School Based Traineeship for Year 10, 11 and 12 high school students. A school-based traineeship combines paid work, training and school with a nationally recognised qualification, whilst gaining credit toward the HSC. Please ask Benchmark College for more information or visit <https://sbatinnsw.info/>

Practical and work-related activities designed to allow each student the opportunity to apply their learning in a real work environment are undertaken. These activities will vary, e.g. research an organisational policy and procedure, watch a colleague complete a task, buddy with a colleague on a workplace project or gain experience in undertaking a particular activity.

Classroom

Students enrolling in this program are required to attend class 2 days per week from 9:00am – 4:00pm. The remaining 3 days are dedicated to self-directed learning and assessment activities. Students are also required to attend 4 weeks of work experience.

This program includes lectures and a range of interactive activities designed to build student's underpinning knowledge and develop competence in each unit. Students will also get the opportunity to practice and apply their learning by practicing key skills such as communication, problem solving, teamwork and prioritising.

Work Experience

Classroom students participate in work experience. This provides students with an opportunity to:

- Practice newly learnt skills and apply theory learnt in the classroom.
- Build the skills that employers want like teamwork, communication and reliability.
- Increase confidence and show individuals they are ready for work.

Benchmark College will organise work experience for all classroom-based students and will provide insurance and support in the work place. Students will be visited at least once by a Trainer. Students on work experience are given a range of activities to guide their learning and practice the key skills required to become work ready.

Students are required to complete two (2), ten (10) day work experience blocks – Monday to Friday – 38 hours per week. Start and finish times may vary depending on the Host Employer.

Students must provide & wear appropriate business clothing whilst on work experience. Travel to and from the Host Employer is the student's responsibility.

Self-directed learning and assessment activities – All students

Self-directed learning activities may vary from reading a textbook to online learning and research. Workplace-based/ traineeship students can expect to dedicate approximately 8 hours per week to self-directed learning and assessment task completion; or approximately 16 hours (3 days) per week for classroom-based students.

To ensure that students are safe and work ready, they will need to complete a range of assessment tasks that include answering questions, analysing case studies and completing practical work-based tasks. Trainers will also observe students perform a range of skills in the workplace and in the classroom, and on work experience for classroom-based students.

Course pre-requisites and suitability

This course is designed for students who are wanting to enter the various industries and who have no Business experience.

The course has no pre-requisite requirements although students will need to have a Unique Student Identifier and have passed our language literacy, numeracy and digital quiz.

To complete the self-directed learning component, access to the internet and a computer is also required.

Can I get credit for previous study?

If students have previously completed a Nationally Recognised Qualification or Course they need let us know at application by providing a transcript and completing the relevant Verification and Consent Form. We will then look to see if any units listed in the transcript can be credited towards the qualification.

Resources

All learning and assessment resources are provided by the College. Students are however required to provide their own pens and notebook.

Fees and charges

The cost for the classroom-based course is \$1,320 (first qualification fee) if eligible for and accessing a government subsidised place. Traineeship fees are capped at \$1,000, fee free traineeships are available to eligible NSW Trainees whose training is funded under Smart and Skilled and will commence training on or after 1 January 2020., please visit <https://smartandskilled.nsw.gov.au/for-employers/employing-apprentices-trainees>

Students eligible for a concession are required to pay \$240. This fee covers enrolment, tuition and learning resources. Fees must be paid in accordance with the **Fee Schedule**. To review our terms and conditions check out our **Fees and Charges Policy and Procedure** and our **Refund Policy and Procedure** available at <https://www.benchmark.edu.au/fees>

Holding a previous qualification does not affect your eligibility to undertake training up to Certificate III level under Smart and Skilled, however it does affect the student fee. For more information, go to <https://smartandskilled.nsw.gov.au> or call 1300 722 104.

Note: This Training is subsidised by the NSW Government.

Where can I find more information?

It is important to us that prospective students have all the information needed to ensure this is the right course for them and we are the right Registered Training Organisation. Visit our Website and read our Student Handbook for all the information needed to make that all-important decision.

Benchmark College has policies, procedures and information to help create a working and learning environment that is safe and healthy, culturally diverse, friendly and non-discriminatory. We encourage students to visit the student section of our website www.benchmark.edu.au to view all relevant policies and procedures.
